

## Covid-19 Safety Policy

### What you can do:

- Children should not attend if they, or anyone in your household, are unwell or show Coronavirus symptoms.
- Parents/guardians should not enter the studio, they should drop and collect children at the door.
- Only parents/guardians who are symptom free should drop off or collect. You should aim to limit drop off and pick up to one adult per family
- Children should attend class with a reusable water bottle. Alternatively, bottled drinks are available to purchase from the studio.
- Children will be required to wash their hands thoroughly and regularly throughout the day.

### What we will do:

- The studio will be cleaned and sanitised every evening.
- Frequently touched items and surfaces will be sanitised at regular intervals throughout the day.
- Bathroom facilities will be sanitised after every use.
- Staff will support children in developmentally appropriate ways to social distance and understand the steps they can take to keep themselves safe.
- Classes will be 25 and 50 minutes long, instead of 30 and 60 minutes, to allow time to transition safely between classes.
